Additional description

The Rodeo seating series from the BePureHome brand is modern, tough and contemporary. This chaise longue sofa on the right is generous, offers plenty of seating space and has a soft velvet fabric. Because of the slim frame and loose cushions, the sofa subtly shows in the living room.

The legs are made of black metal. The seat height is 45 cm, the seat width is 274 cm (of the long chair part 120 cm), the seat depth is 60 cm (of the long chair part 125 cm) and the height of the armrests is 67 cm.

The velvet fabric with a velvet look feels soft, is of a heavy quality and suitable for intensive use. The fabric has not been treated with a flame retardant. We do not recommend impregnating the fabric.
