Made of recycled leather (70% leather / 30% polyester)
In the tough cognac colour
H 74 x W 146 x D 98 cm

With the Bean easy chair you get a seat of size in your home with a robust appearance. Bean is known for its high seating comfort. The Bean easy chair, from the collection of Dutch brand WOODOO, is made of sturdy recycled leather. What is recycle leather? Factories keep remnants of the skins when cutting them. These remnants are ground down and made into a new fabric: Recycle Leather (70% real leather and 30% polyester). The fabric is made up of two materials: the bottom layer consists of recycled real leather, which gives it its natural and unique look. The leather is protected by a polyester top layer which prevents unevenness and makes it a sturdy combination fabric.

Bean armchair (hwxwd) 74x
