Would you like even more comfort in your Bean 3.5-seater, corner sofa or armchair? With this loose decorative cushion you can easily increase the comfort of your Bean item. This sturdy recycle leather version (70% genuine leather and 30% polyester) gives the cushion a tough twist. What is recycle leather? Factories keep remnants of the skins when cutting them. These remnants are ground down and used to make a new fabric: Recycle Leather (70% genuine leather and 30% polyester). The fabric is made up of two materials: the bottom layer consists of recycled real leather, which gives it its natural and unique look. The leather is protected by a polyester top layer which prevents unevenness and makes it a sturdy comb...
